

State Employee Health Plan: Plan J
Coverage for: Individual/Family | Plan Type: PPO
Summary of Benefits and Coverage: What this Plan Covers & What You Pay For Covered Services

The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. **NOTE: Information about the cost of this plan (called the premium) will be provided separately. This is only a summary.** Please read the State Employee Health Plan Summary Plan Description that contains the complete terms of this plan. For general definitions of common terms, such as **allowed amount, balance billing, coinsurance, copayment, deductible, provider**, or other bolded terms please call 1-866-851-0754.

Important Questions	Answers	Why this Matters:
What is the overall deductible?	Network: \$500 per Individual / \$1,000 per Family. Non-Network: \$1,000 per Individual / \$2,000 per Family. Doesn't apply to preventive care.	Generally, you must pay all of the costs from providers up to the deductible amount before this plan begins to pay. If you have other family members on the plan , each family member must meet their own individual deductible until the total amount of deductible expenses paid by all family members meets the overall family deductible .
Are there services covered before you meet your deductible?	Yes, preventive care.	For example, this plan covers certain preventive services without cost-sharing and before you meet your deductible . See a list of covered preventive services at https://www.healthcare.gov/coverage/preventive-care-benefits/ .
Are there other deductibles for specific services?	No. There are no other specific deductibles .	You don't have to meet deductibles for specific services.
What is the out-of-pocket limit for this plan?	Medical and Pharmacy combined Out of Pocket: Network: \$7,350 Ind / \$14,700 Family Non-Network \$10,000 Ind / \$20,000 Family	The out-of-pocket limit is the most you could pay in a year for covered services. If you have other family members in this plan , they have to meet their own out-of-pocket limits until the overall family out-of-pocket limit has been met.
What is not included in the out-of-pocket limit?	Premiums, balance-billing charges, and health care this plan doesn't cover.	Even though you pay these expenses, they don't count toward the out-of-pocket limit .
Will you pay less if you use a network provider?	Yes. For a list of preferred providers, see www.aetnastateofkansas.com or call 1-866-851-0754.	This plan uses a provider network . You will pay less if you use a provider in the plan's network . You will pay the most if you use an non-network provider , and you might receive a bill from a provider for the difference between the provider's charge and what your plan pays (balance billing).
Do you need a referral to see a specialist?	No.	You can see the specialist you choose without a referral .

All **copayment** and **coinsurance** costs shown in this chart are after your **deductible** has been met, if a **deductible** applies.
