The screenshot shows a web application for estimating costs. At the top is a purple navigation bar with a 'Menu' icon and the text 'See Coverage & Costs'. Below this is a white sub-header with three tabs: 'Financial Overview', 'Coverage & Benefits', and 'Estimate Costs' (which is highlighted with a purple shadow). A breadcrumb trail below the tabs reads 'Estimate Costs > Member Payment Estimator > Select Service'. The main content area has a heading 'SUBSCRIBER, What do you want to estimate near 06457?'. It features a search box with a magnifying glass icon and placeholder text 'Type Name of the Service, Procedure (Example: Routine screenings, mammograms, colonoscopy)'. Below the search box are 'Top Searches' listed as 'Colonoscopy | CT Scan | Flu shot | X-ray | Labs | Show More'. A dashed line with an 'OR' label separates this from the 'Search by category to estimate the cost' section. This section contains three category cards: 1) 'Diagnostic Tests & Procedures' with a pink icon of a test tube and a list of 'Lab, MRI, CT scan, X-ray'; 2) 'Physician Office Services' with a purple icon of a stethoscope and a list of 'PCPs, Specialists, Pediatrics'; 3) 'Surgical & Maternity Procedures' with a teal icon of a surgical instrument and a list of 'Vaginal delivery, Tonsillectomy'. Each card has a right-pointing chevron.

THIS IS NOT INSURANCE. THIS IS A SERVICE AVAILABLE WITH THE MEDICAL PLAN.

This material is for information only. Health information programs provide general health information and are not a substitute for diagnosis or treatment by a physician or other health care professional. Health benefits and health insurance plans contain exclusions and limitations. Estimated costs not available in all markets. The tool provides an estimate of what would be owed for a particular service based on the plan at that very point in time. Actual costs may differ from an estimate if, for example, claims for other services are processed after the estimate is provided but before the claim for this service is submitted. Or, if the doctor or facility performs a different service at the time of the visit. HMO members can only look up estimated costs for doctor and outpatient facility services.

Information is believed to be accurate as of the production date; however, it is subject to change.
